Minda Distribution and Services Limited (MDSL) today is one of the leading companies in Automobiles Aftercare market.

It was formed with the core objective of creating a distribution network in the country, spanning a wide range of products & services in the auto parts aftermarket.

Our objective at MDSL is to develop and implement strategies to build and sustain the UNO MINDA brand equity, and to achieve increasing levels of market penetration, sales and market share for the product range.

The purpose of this catalogue is to consolidate all switches for 2 & 3 wheeler segments.

This catalogue is intended to serve as Ready Reckonor and as a handy reference tool. We do hope you find it to be useful, and would be happy to respond to any queries from your side, which may be addressed to [queries@mindadsl.com](mailto:queries@mindadsl.com)
